

Carpool Procedures

- Of a morning, students arriving by car must be dropped off in the designated carpool area. Do not drop students off in the street, in the parking lot by the main office, or in the bus area in front of the library. Students may not be dropped off before 6:50 AM. If a student arrives after 7:10, a parent/guardian must check them into the office.
- In the afternoon, parents are required to wait in the line until they get into the designated carpool area. All drivers should move as far up in the carpool area. Students should wait until cars are stopped in all three lines before they get into cars. Students should not walk toward the street to get into cars. Drivers should not cut through the parking lot.
